MEETINGS

We meet the first Tuesday of each month at 7:00 p.m. in the Montgomery County Central Library, Conroe, Texas. No meetings in July and August.

PROGRAM SPEAKERS

The Society normally has a speaker each month whose topic is genealogical in nature or relates to historical references directly related to genealogy.

BENEFITS OF MEMBERSHIP

Benefits of membership are tangible and meaningful. A member is privy to programs, workshops, seminars, various rosters, past newsletters and first to be aware of any special events. Most importantly, a member is surrounded by persons of like interest conducive to furthering ones own family history. Brick walls are frequently shattered. The Society website also focuses on member stories, pictures and queries.

THE HERALD

Membership entitles you to receive The Herald, which began publication in 1978. We focus on member needs and publish member records as we can, regardless of geographic origination of the member. Your contribution of family group sheets, stories and other appropriate material is welcomed. Each issue can include material devoted to Montgomery County source records, family histories, Bible records and website queries. We strive to publish four times per year, with a yearly index in the final issue. Your membership includes free queries in The Herald and on the website.

VOLUNTEER OPPORTUNITIES

The Society always needs volunteers. Projects abound so please feel free to step forward.

PUBLICATIONS

The Society has published over 120 volumes of genealogical records focused on Montgomery County Texas, to include two volumes of hard bound history books replete with numerous family stories and pictures. Other books include probate, deed, marriage, and court records, extant funeral home records, along with six volumes of cemetery records. Many indexes have also been produced by Society members for books without one. For a catalogue of Society publications, send a SASE or visit the society website at www.mcgandhs.com.
